ROCK BAND CAMP

The goal of ROCK BAND CAMP is to encourage students to think outside their private practice worlds and get them excited about playing popular and timeless music with other instruments. In addition to increasing their confidence as an on stage entertainer and learning to work as a musical team, they will be taught how to play specific parts, think like a band member, sing harmonies and potentially lead a band! There will be a performance on the final day of camp for friends and family to come support their ROCK stars.

Ages: 12-16.

Venue: TBA - Numbers Pending.

Time: 9-3pm

Logistics:

- Students can be dropped off between 8:50-9am and picked up between 3:00-3:10pm.
- Students will be able to specialize in: Keyboard, Voice, Guitar or Percussion.
- Digital pianos, synthesizers, organ, and percussion instruments will be provided. Guitar and bass students are encouraged to bring their own instrument, however, if the student does not own this particular instrument AMBER BAUER MUSIC will provide it. Please indicate whether there is an instrument need on the registration form.
- Each day, students will have 2-3 group private lessons for their instrument of choice, with a trained instructor specific to the instrument. Following these lessons students will break into bands and practice their musical parts as a whole to prepare for Friday's Show.
- In addition, afternoon sessions include: Running & Manipulating Professional Sound Gear, Music Charting, Stage Presence Development, Famous Band & Artist History, as well as Musical Genre Differentiation & Exploration.
- Students must come with their own lunch and water bottles.
- They will be choosing their own band names, deciding on their band's costume theme and getting ready together following the dress rehearsal Friday morning.
- *Show Day* (Friday): Please bring students at the normal start time to the show location (TBA) dressed in normal clothes with their costume to change into after lunch. Show time is at 1:30 pm (feel free to come at 1:15pm, but if at all possible, no earlier due to the fact that the students get pretty excited by your presence and we'd like them to stay focused on their tasks — thanks :). Group band shots will be taken following the performance and a live video recording of the show will be emailed out the next week.
